2026 CABINET STYLE GUIDE

CABINET SYSTEMS, FINISHES & DETAILS

CRAFTED FOR LIVING

At Körner Interior Solutions, we design and craft custom cabinetry that brings together beauty, functionality, and lasting quality. From kitchens and living spaces to built-in storage throughout the home, each project is tailored to reflect your vision and the way you live.

Our Cabinetry collection offers a curated range of premium finishes, including paints, stains, and natural wood species, paired with thoughtful storage solutions and refined detailing. Every element is selected for its durability, performance, and elevated aesthetic.

From concept to completion, we create cabinetry that is not only functional, but intentionally designed — bringing structure, warmth, and sophistication to everyday living.

PAINT COLLECTION

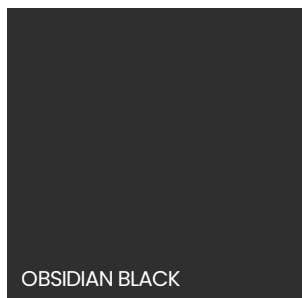

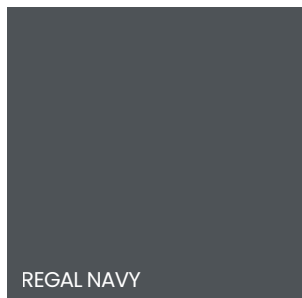

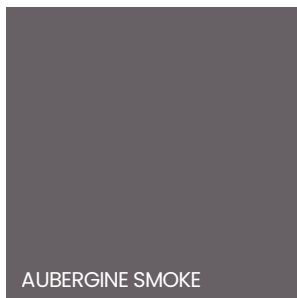

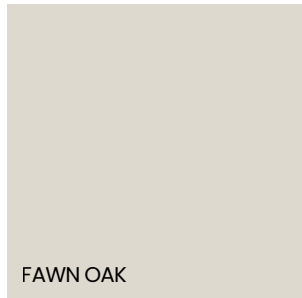

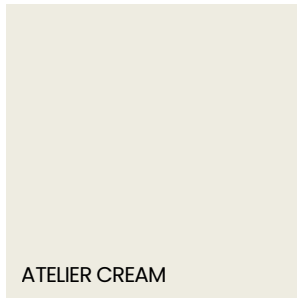

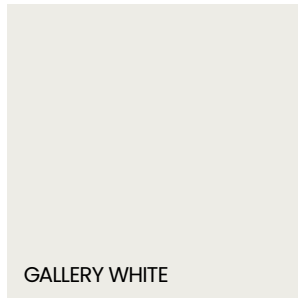

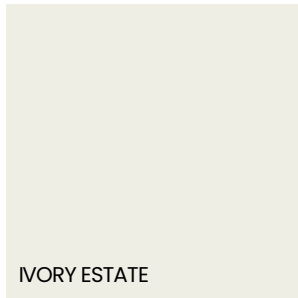

STANDARD & CUSTOM COLOR OPTIONS

A curated collection of paint finishes designed to bring clarity, depth, and versatility to your cabinetry. From timeless neutrals to bold, expressive tones, each selection enhances the overall design while maintaining a clean, refined aesthetic.

In addition to our standard palette, custom colors are available through **Sherwin-Williams** and **Benjamin Moore**, allowing for a fully personalized finish tailored to your vision.

STAIN COLLECTION

NATURAL WOOD TONES

A curated range of stain finishes designed to highlight the natural beauty and character of wood. Each tone enhances the depth, grain, and texture of the material, bringing warmth and richness to your cabinetry.

From light, subtle finishes to deeper, more expressive tones, these stains are crafted to complement a variety of design styles while maintaining durability and long-lasting performance.
