2026 CLOSET STYLE GUIDE CLOSET SYSTEMS, FINISHES & DETAILS

DESIGNED FOR LIVING

At Körner Interior Solutions, we design and deliver refined spaces that balance beauty and functionality. From closets and pantries to mudrooms and beyond, each project is thoughtfully tailored to reflect the way you live.

Our Closets collection features a curated range of premium finishes, including Lumi Gloss and Nova Coat, paired with custom storage systems and specialized hardware. Every element is selected for its durability, performance, and elevated aesthetic.

From concept to completion, we create spaces that are not only organized, but intentionally designed — bringing clarity, comfort, and sophistication to everyday living.

DOOR STYLES

DEFINED BY DETAIL

A curated selection of door styles designed to bring depth, warmth, and character to every space.

Each profile balances beauty and performance — seamlessly integrating into your overall design.

Slim Shaker and Shaker

Timeless profiles defined by clean lines and subtle framing. These styles introduce depth without overwhelming the space.

Flat Panel

A smooth, uninterrupted surface that delivers a clean, modern aesthetic. Ideal for minimalist spaces, this style emphasizes simplicity while allowing finishes and materials to take center stage.

Raised Panel

A more traditional, dimensional profile that adds depth and presence. With its detailed center panel and layered construction, this style brings a sense of refinement and classic elegance to the space.
