

2026 CLOSET STYLE GUIDE
CLOSET SYSTEMS, FINISHES & DETAILS

DESIGNED FOR LIVING

At Körner Interior Solutions, we design and deliver refined spaces that balance beauty and functionality. From closets and pantries to mudrooms and beyond, each project is thoughtfully tailored to reflect the way you live.

Our Closets collection features a curated range of premium finishes, including Lumi Gloss and Nova Coat, paired with custom storage systems and specialized hardware. Every element is selected for its durability, performance, and elevated aesthetic.

From concept to completion, we create spaces that are not only organized, but intentionally designed — bringing clarity, comfort, and sophistication to everyday living.

INNOVATIONS IN FINISH

WARDROBE: NOVACOAT, SILKTOUCH & LUMIGLOSS

A refined collection of wardrobe finishes designed to bring consistency, durability, and modern elegance to every space. From NovaCoat's natural wood-inspired grains and textures to SilkTouch and LumiGloss surfaces offering smooth, matte, high-gloss, and textured expressions, each finish is thoughtfully selected to balance aesthetics with everyday performance.

Designed for long-term use and visual consistency, these materials provide a versatile foundation for creating wardrobes with a clean, cohesive look. The range supports everything from warm, natural wood aesthetics to sleek contemporary finishes, offering the flexibility to create subtle continuity or bold contrast throughout the space.

NOVACOAT

A durable, wood-inspired surface with coordinated grain detailing and dimensional texture.
Its consistent color and natural character provide a refined, versatile finish.

WARDROBE ACCESSORIES

Organization is designed into every detail. Körner's wardrobe accessories bring greater function to cabinetry through thoughtfully integrated solutions that keep clothing, shoes, and everyday essentials organized, accessible, and beautifully arranged.

From 360° rotating shoe racks and accessory organizers to pull-out hanging racks and integrated hanging rods, each accessory is designed to make better use of available space. The result is wardrobe storage that feels intuitive, efficient, and seamlessly integrated into the overall design.

Thoughtful details transform wardrobe cabinetry from simple storage into a system designed around everyday living.
